Sådan gør du:

The diagram illustrates a three-step process for counting and writing the amount in Danish kroner (kr.) using tactile aids:

- Step 1:** A hand holding a red pencil points to the 1 kr. column, which contains 100 silver coins arranged in a 10x10 grid. A red circle highlights one coin.
- Step 2:** A hand holding a red pencil points to the 10 kr. column, which contains 100 gold coins arranged in a 10x10 grid. A red circle highlights one coin.
- Step 3:** A hand holding a red pencil points to the 100 kr. column, which contains 100 banknotes arranged in a 10x10 grid. A red circle highlights one banknote.

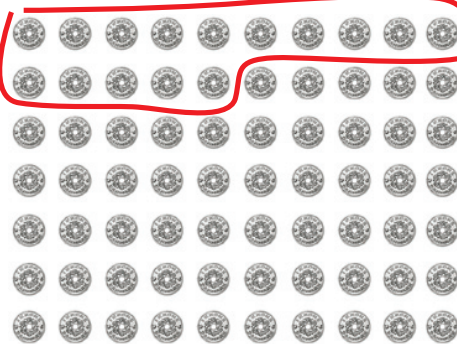

Below the columns, the amount is written in a box: **Beløb: 1 6 2 kr.** A hand holding a red pencil points to the number 2 in the box.
